

Fearless Football Forecast

Three-way tie for first place

Nothing has been decided after the first two weeks of the high school football season.

There is a three-way tie for first place between Joshua Hudson, Vince Peluso and Bill Castrovince.

Week 3 probably won't see much separation since most of the games seem to be clean sweeps.

But that doesn't mean there isn't some intriguing games during the third week.

Can Southington start the season off 3-0?

Will Howland and Kennedy be able to bounce back from last week's defeats.

And will anyone take the lead in the picks?
