## Sulonen, Simon grab the lead

Joe Simon was two games back of leaders Lou Cali, Dana Sulonen and John Vargo. After a 17-3 week, Simon grabbed the lead with Sulonen, who went 15-5.

Simon and Vince Peluso were the only two who survived a rough Week 9 with 17-3 records.

Cali fell one game back with last week's 14-6 mark.

Vargo struggled going 13-7 and is two games back of Sulonen and Simon.

Joshua Hudson remains five games back in this tightly contested picks race.

This week's game to watch is Poland at Canfield, which has stumped some prognosticators.
