

Fearless Football Forecast

Simon takes one-game lead

Joe Simon leads by one game heading into the final week of prognostications.

Dana Sulonen slid into a three-way tie for second with John Vargo and Lou Cali — one game back of Simon.

Joshua Hudson is five games back of Simon.

Since it is the first week of the playoffs, we are only picking 15 games.

There are some familiar Canton teams on this slate and some not so familiar. Mayfield is the alma mater of former Tribune writer Brian Lavrich.
